

IICRC CERTIFICATIONS

Course Name	Textile Division	Minimum Time Requirement
Carpet Cleaning Technician (CCT)		(2 days)
Carpet Inspector (SCI) * Prerequisites: Current IICRC Certification in CCMT or CCT, and RRT.		(6 days)
Carpet Repair & Reinstallation Technician (RRT)		(2 days)
Color Repair Technician (CRT) Prerequisites: Active IICRC Certification in CCT or CCMT		(2 days)
Commercial Carpet Maintenance Technician (CCMT)		(2 days)
House Cleaning Technician (HCT)		(2 days)
Leather Cleaning Technician (LCT)		(2 days)
Rug Cleaning Technician (RCT) Prerequisites: Active IICRC Certification in CCT or CCMT, and UFT		(2 days)
Upholstery & Fabric Cleaning Technician (UFT)		(2 days)

* During the first year after passing an IICRC inspector exam, the individual is required to submit a minimum of six (6) inspection reports which will be reviewed by the Inspector Committee. Inspector status will not be awarded until such time as these reports are approved by committee.

Course Name	Hard Surface Division	Minimum Time Requirement
Ceramic Tile Inspector (CTI) * Prerequisite: Active IICRC Certification in SSI or ISSI		(4 days)
Floor Care Technician (FCT)		(2 days)
Introduction to Substrate Subfloor Inspection (ISSI)		(3 days)
Marble & Stone Inspector (MSI) * Prerequisite: Active IICRC Certification in SSI or ISSI		(3 days)
Stone, Masonry & Ceramic Tile Cleaning Technician (SMT)		(2 Days)
Resilient Floor Maintenance Technician (RFMT) Prerequisite: Active IICRC Certification in FCT		(2 Days)
Resilient Flooring Inspector (RFI) * Prerequisite: Active IICRC Certification in SSI or ISSI		(4 days)
Wood Flooring Maintenance Technician (WFMT)		(2 days)
Wood Laminate Flooring Inspector (WLF) * Prerequisite: Active IICRC Certification in SSI or ISSI		(4 days)

* During the first year after passing an IICRC inspector exam, the individual is required to submit a minimum of six (6) inspection reports which will be reviewed by the Inspector Committee. Inspector status will not be awarded until such time as these reports are approved by committee.

Course Name	Restoration Division	Minimum Time Requirement
Applied Microbial Remediation Specialist (AMRS)		
Prerequisites: AMRT: <u>and</u> HST or an OSHA 10-hour General Industry Health and Safety course, or other suitable program subject to the IICRC approval (<i>There are no HST equivalents in Canada or Australia/New Zealand</i>); <u>and</u> one year verifiable microbial remediation experience <i>after</i> the date of issuing the AMRT certification; <u>and one</u> of the following within one calendar year immediately before AMRS qualification: 10 verifiable microbial remediation projects <u>or</u> 1000 hours verifiable microbial remediation experience. Verification is by written Witness Statement under penalty of perjury, plus an appropriate Project Sheet(s).		
Applied Microbial Remediation Technician (AMRT)		(4 days)
Prerequisite: Active IICRC Certification in WRT		
Applied Structural Drying Technician (ASD)		(3 days)
Prerequisite: Active IICRC Certification in WRT		
Commercial Drying Specialist (CDS)		(4.5 days)
Prerequisites: IICRC Certification in WRT <u>Special note to Participants</u> : Commercial drying projects frequently have many more potential hazards and safety risks that are not generally encountered on residential projects. These hazards may include but not be limited to higher voltages, confined spaces, energized machinery, hazardous chemicals, heavy equipment and forklifts. The CDS course is not intended to be a health and safety course, nor will it cover all of the potential hazards that may be encountered on commercial projects. It is required of participants to comply with all applicable local, state/provincial and national safety rules and regulations. The participant is strongly advised to research and complete appropriate training programs (e.g. HST, OSHA 10-hour, Canadian HST) prior to participating in the CDS course.		
Fire & Smoke Restoration Technician (FSRT)		(2 days)
Health And Safety Technician - US, Canada, AU/NZ (HST)		(2 days)
Odor Control Technician (OCT)		(1 Day)
Water Damage Restoration Technician (WRT)		(3 days)
Water Restoration/Applied Structural Drying Combo (WRT/ASD)		(5 days)
This course must be attended in its entirety along with passing both WRT and ASD exams during that same five (5) day period. If any portion of the course and exam are not completed during the five (5) day period, the student is required to re-attend the entire five (5) day course to receive both certifications. No portion of the five (5) day course can be applied to either a WRT or ASD course being taught separately.		

ADVANCED DESIGNATIONS (NO EXAMINATION)

Designations are automatically awarded after attaining the proper credits

Journeyman Textile Cleaner (JTC)

A minimum of twelve (12) months after original IICRC certification date plus attainment of the following IICRC certifications: CCT or CCMT, UFT and any of the following: OCT, CRT or RRT

Journeyman Fire & Smoke Restorer (JSR)

A minimum of twelve (12) months after original IICRC certification date plus attainment of the following IICRC certifications: UFT, OCT and FSRT

Journeyman Water Restorer (JWR)

A minimum of twelve (12) months after original IICRC certification date plus attainment of the following IICRC certifications: CCT or CCMT, WRT and RRT

Master Textile Cleaner (MTC)

A minimum of three (3) years after original IICRC certification date plus attainment of specific IICRC certifications: CCT or CCMT, UFT, OCT, RRT and CRT

Master Fire & Smoke Restorer (MSR)

A minimum of three (3) years after original IICRC certification date plus attainment of specific IICRC certifications: CCT or CCMT, UFT, OCT, FSRT and HST or equivalent. *(There are no HST equivalents in Canada or Australia/New Zealand.)*

Master Water Restorer (MWR)

A minimum of three (3) years after original IICRC certification date plus attainment of specific IICRC certifications: CCT or CCMT, RRT, WRT, ASD, AMRT/S and HST or equivalent. *(There are no HST equivalents in Canada or Australia/New Zealand.)*

Annual Registration Fee

FOR THE AMERICAS: After one (1) year, registrant will receive annual renewal billing. If certified in 1 or 2 categories, fee will be \$36 annually, 3 and 4 categories is \$48 and 5 or more categories is \$60 annually. Master status will be an additional \$12.00. The fee of \$12.00 applies whether the registrant holds one or more than one master status. Applied Microbial Remediation certification will be \$72.00 annually.

If registrant lets certification lapse for a period of over twelve (12) months, he or she will be required to re-attend an approved school, retake exam and pay appropriate fees. If registrant wishes to reinstate certification within the twelve (12) month period, outstanding fees and fulfillment of continuing education credits will be required. Registrants must follow the Code of Ethics or be subject to sanctions up to and including loss of certification.

FOR EUROPE: Annual renewal for one (1) to more than five (5) is £46.00. Master levels are an additional £10.00. AMRT and inspector fees are an additional £100.00. Credentialed Carpet Inspector is an additional £50.00. All fees include the applicable standard VAT rate. (01.2009)

FOR ASIA PACIFIC: If certified in 1 or 2 categories, fee will be \$60 annually, 3 and 4 categories is \$70 and 5 or more categories is \$80 annually. Master status will be an additional \$30.00. Applied Microbial Remediation certification will be \$90.00 annually. A practicing inspector is an additional \$150.00 whether certified in one or more inspection categories. Credentialed carpet inspector is \$70.00 annually. All are figured in Australian dollars.

Registrants must maintain all prerequisite and required courses to attain and maintain certifications requiring prerequisites and advanced designation status. (For example, WRT must be maintained to first attain and then to maintain ASD, and all supporting designations must be maintained to attain and to maintain Journeyman, Master, and Inspector status according to current IICRC policies).

Certified Inspector: Once the inspector has passed the probationary requirements, he or she may choose to be listed as "Practicing" or "Credentialed". Practicing inspectors will pay \$96.00 annually for fees with listing on the 800# IICRC Referral System and the web site, while Credentialed will pay \$48.00 per year with no listing. Hard Surface inspectors are only listed as Practicing. The \$96.00 annual fee is the same whether the registrant holds certification in one or more than one inspector category.

Certified Firms: A Certified Firm Application Request Form must be sent to IICRC with a nonrefundable \$25.00 processing fee. Upon approval of the request form, the firm will be sent an Application for Certified Firm. The Application for Certified Firm must be forwarded to headquarters with the annual fee of \$199.00. This is a separate fee from the \$25.00 processing fee and is also nonrefundable. Once Certified Firm status is granted, the firm is immediately listed on the 800# IICRC Referral System as well as IICRC web site at www.iicrc.org. The Certified Firm is also eligible at this time to use the registered trademark for advertising purposes.
